### Quick Quotes

**Q. Moriya, 1-under 70 in the final round of the Pure Silk Championship. Solo second. Not the finish you were looking for. What are you feeling right now?**

MORIYA JUTANUGARN: I mean, it's still good week. You know, like to play in the lasts group on Sunday is always a good week. Of course it's not finish I wanted to, but, you know, I still going to take a lot of good things from here.

**Q. You struck it so well all week and then you had the one bad hole today on 15. What happened in the bunker?**

MORIYA JUTANUGARN: Well, I mean, just like doesn't hit a very good drive and went into the bunker and just kind of like it's fine, but maybe I just catch it a little too thin and the ball doesn't get up high enough.

So, yeah.

**Q. And then you had a kind of plugged lie and couldn't advance from there?**

MORIYA JUTANUGARN: Yeah. So just like the sand was so soft and pretty fluffy and it came back down and just like I have like not very good lie, so I just have to chip out.

**Q. Great bounce back birdie at 17. Walk us through that one.**

MORIYA JUTANUGARN: Well, I just like just want to finish strong and I just don't want to go back home and I feel upset about anything.

So, you know, I think I just want to hit a good shot and then just I just want to -- just want to do it -- you know, just want to have fun and want to walk out 18 hole proud of myself.

**Q. Yeah. And I know that you guys lost the mother of a family friend. Can you tell us a little bit about that?**

MORIYA JUTANUGARN: Yeah. It's just like my really, really close friends and I'm really, really close to her as well, and she just pass yesterday.

**Q. What was her name?**

MORIYA JUTANUGARN: Noneteri (phonetic) yeah.

**Q. How did she pass away?**

MORIYA JUTANUGARN: She fight through the cancer but it just like when she find out it was pretty late, so she find out maybe a month ago and it's just like a bad news after finish the round yesterday. Yeah.
