Quick Quotes

Q. All right, here with Georgia Hall after a 4-under day today. Just take me through what was working so well for you out there.

GEORGIA HALL: Yeah, my long game was really steady today. Didn't really miss a shot, especially a tee shot, so made it a lot easier going into the greens.

Happy to kind of get smoother greens this morning. They can get bumpy out there in the afternoon.

Q. What were some of the differences for you? You were saying your long game. Was it just getting used to Saticoy yesterday?

GEORGIA HALL: Yeah, I really enjoy the golf course. I think it's really cool, very hilly. It really just tests your game in all aspects.

My long game was a little bit off last week. Managed to kind of feel like I kind of sorted it this week. It's been really steady and hitting it where I want, so that's always good news.

Q. We are getting near the end of the season, but it was nice I think for you last week to see a friend of your top the leaderboard at the Ascendant Benefiting VOA. What was that like for to you watch Charley?

GEORGIA HALL: Yeah, no, I was really happy, so happy for her. First win in six years I think. So we've been great friends since we were like ten years old, so I made sure that -- I was cutting my flight a little bit like close, but I didn't tell her that.

It was the first time me like spraying. I was a bit like, oh, I don't want to mess this up for her either. Of course I'm over the moon for her and she deserves it. She's a fantastic player and really nice person.

Yeah, she's done great.

Q. On top of that, another Englishwoman is currently kind of -- I don't want to say running away with it, it's only the second day -- but at 12-under, Jodi Ewart Shadoff. What to say about this course and the way that your fellow Englishwomen on the playing these days?

GEORGIA HALL: Yeah, it's fantastic. There is not many of us, maybe like four, five on tour, so when we do well it's great to see. Come from such a small country as well. Jodi is playing great as well halfway through, and see what happens.

Q. What will you take from today to boost your day on moving day today?

GEORGIA HALL: It's really nice. Now I got to have the afternoon off. Probably chill as well. A very early morning, and just kind of get energy back up for the weekend.
