Quick Quotes

Q. All right, here with Yuka Saso. 8-under overall after three days here at Saticoy. Just how are you feeling walking off the course today after round three?

YUKA SASO: Had good saves in first three holes and birdie in the fourth. Yeah, I think I played pretty consistent and putt really well. I gave myself a chance last few holes.

So I think I played really good.

Q. A lot of birdies in your last couple of holes. What was working well towards the end of the round?

YUKA SASO: I hit really good shots inside four feet. I was able to give myself a chance. I think that was the key of my round today.

Q. What's it been like getting use to Saticoy Club?

YUKA SASO: I really like the course. It's very beautiful, but at the same time it's tiring. I really like it. It's a very challenging golf course.

Q. Definitely some interesting shots you've had to hit this week. We were just talking about the one from the first round that you had.

YUKA SASO: Yeah.

Q. You say you like this course. What do you like the most about it?

YUKA SASO: They have small greens and they don't really have flat areas on the fairways, so you really have to have good imagination around the course.

Yeah, that's what I tried to do the first day and last -- 18th hole. Was sad I got into the bush, but those kind of shot I think you really have a good imagination to give yourself a good chance.

Q. It's been a couple weeks in a row and a couple

tournaments for you. What's it been like the last 6 few weeks as you have got ready for the last event here until the Asia swing?

YUKA SASO: It's been really good I guess. Playing pretty good last couple weeks and I've been really enjoying it, so it's been fun.

Hopefully I can keep it going.

Q. How comfortable have you felt in your game the last few weeks and this week?

YUKA SASO: Pretty good. I feel pretty confident. I mean, it's all right.

Q. What will you take from your last three days here as you head into tomorrow?

YUKA SASO: Stay patient and I guess just do what I have to do.

Just do the same thing that I did last three days.
