Quick Quotes

Q. Mina, great second round here at Meijer. How do you feel after that great second round?

MINA HARIGAE: I'm kind of tired. (Laughter.)

Q. Yeah?

MINA HARIGAE: But no, honestly, like everything was going well out there. I was hitting fairways, greens; putter felt really good.

So, yeah, it was just all around a good day.

Q. How did the two hours affect you, if at all?

MINA HARIGAE: It didn't honestly. Like it helps obviously being an afternoon round, but I got to do some laundry.

Q. I don't know if you heard, but tomorrow we're doing something different where the leaders will go off in the morning.

MINA HARIGAE: Oh, really?

Q. Yes, and we're hoping to end by 2:30. How would you relax in preparation for tomorrow's early round then?

MINA HARIGAE: Oh, just get ready for bed real quick, I guess.

Q. Yeah.

MINA HARIGAE: That's about it. Yeah, got to go home and recover my legs, get something good to eat.

Q. Two more questions.

MINA HARIGAE: Uh-huh.

Q. Did you work on any part of your game before this event?

MINA HARIGAE: No. (Laughter.)

Q. No?

MINA HARIGAE: Not really. Just I been doing the same thing. I was really tired coming from San Francisco playing those two weeks on those -- just it was cold weather, a lot of wind, just a tough walk.

So I basically focused on like resting.

Q. Okay.

MINA HARIGAE: Yeah.

Q. And then confidence booster for next week, is it at all a confidence booster?

MINA HARIGAE: Yeah, for sure. I really like the way I'm hitting it and rolling it. Yeah, really good confidence booster.
