In Gee Chun

Quick Quotes

Q. In Gee, second lowest round of the week. How was it out there today?

IN GEE CHUN: Actually I had a solid game until yesterday, except putting, so it was like steadily still miss to the left, had many birdie chances.

So after yesterday's round I spend more time on the practice putting green and I trying to fix it. It works really well. That's how I made lowest score today.

Q. And then how much of a confidence booster is it into next week's KPMG?

IN GEE CHUN: I had a three bogey-free round last three days, so I think pretty much I got a good like positive energy from the bogey-free rounds.

I just want to keep going next week.

Q. What is working the most in your game right now?

IN GEE CHUN: I'm still working on my swing a little bit. Then I think and I believe it's almost there, so trying to work hard.

And then I want to say thank you to my coach how he work hard to do. So this week I got so much like fun from the fans here, so I really appreciate it. We'll see next week.
