Press Conference

**Q. Here with Jasmine Suwannapura. Really good start here at Blythefield Country Club, 4-under 68. Five birdies, one bogey on the card. What was working so well for you out there? Was it ball striking?**

JASMINE SUWANNAPURA: I think my driver was pretty good today and my putter was pretty hot. I mean, my irons doesn't really hit -- I didn't really hit it that close today to be honest, but I made really good long putts today. Like the speed of the good. I think I had one three-putt.

But the speed is really good, and then make some like long putts.

**Q. This golf course doesn't seem like it has a lot of challenge to it. Does it get more difficult when you get to the greens?**

JASMINE SUWANNAPURA: Yeah, because one thing about this green is they don't have a grain, so you kind of like -- you walk in and you don't really see the grain. All you can see is just the slope of the green in general, but it can be pretty tricky here.

**Q. How are you and your caddie reading these greens and what worked so well today that helped you make a lot of long putts?**

JASMINE SUWANNAPURA: I've been practice a lot for the speed of the green. I notice it since last week that my speed been pretty good. Then even the long putts I don't really have to worry so much.

That's been pretty good for me, that I don't really make short mistake and make a bogey because that's cause a lot of, you know.

**Q. 13 of 13 fairways; 15 of 18 greens. Ball striking has been really key for you, at least for today. What have you been working on?**

JASMINE SUWANNAPURA: I've been working on drivers, so my driver got a lot more confidence the past two weeks.

I think less basically. I just hit balls. Been playing golf for so many years, and, I mean, it's just a little bit here and there can take your mind off and got a little bit of distraction in your head.

We talk about split second, yeah.

**Q. Good round today. Three days left. A lot of golf. What will you carry with you from today into the rest of the week?**

JASMINE SUWANNAPURA: I would say I would carry my driver and speed of the putting, because if you can do this, you know, both of them will help us a lot.
