Quick Quotes

Q. Highlights of the round today?

JESSICA KORDA: Honestly, just trying to keep it in play. It was really windy out there. Made some good birdies, two bad bogeys, but all in all pretty good day.

Q. Is it cool going into the round seeing your sister so successful on the day?

JESSICA KORDA: I'm used to it. What else is new? No, obviously it is. It's obviously a motivating factor, but at the same time I kind of have to scratch my head at how low she went in tough conditions.

Q. Just seeing her play, I know you guys grew up playing together, does it make you feel like, I can do it? If Nelly can do it, I can do it?

JESSICA KORDA: Not really. Not anymore, because I'm the older one. So at the same time, not really. We all try to go out there and shoot the lowest score we can.

Q. What were some of the challenges out there? You said the wind. Anything else?

JESSICA KORDA: Yeah, definitely the wind. It was really tough because it's really gusty, and especially when you get down towards like 13, 14. You have no idea where the wind is coming from. It's definitely very challenging.
