Q. I'm standing here with Minjee Lee. Minjee, I know today's round started with two bogeys in the first three holes, but then something happened at the 8th hole and you went 4-under through three holes. Tell me how today went and what the weekend looks like?

MINJEE LEE: Yeah, I mean, I knew there was a lot of birdies out there. I just kind of stayed patient after those two bogeys in the beginning of the round.

I backed it up with a birdie, so kind of came back a little bit there. I put together quite a good I guess back half of the round, so, yeah, no, I'm feeling pretty good for the weekend.

I've been hitting it pretty solid and putting it pretty solid this whole week, so hopefully I can keep it going.

Q. Do you know how your brother did today?

MINJEE LEE: I do now. I'm happy he's doing well.

Q. Speaking of your brother, is he going to make it next week to watch the KPMG Women's PGA?

MINJEE LEE: Yeah, I mean, he's going to be following me around for a change. So yeah, he's just going to be the brother and I'm going to be the player next week.
