Quick Quotes

Q. Dewi, I want to start with you. Overall, huge week for the two of you. How are your thoughts and feelings after four days here at Midland?

DEWI WEBER: I thought this was the most fun event that I've played so far, so that kind of encapsulates all my thoughts.

Obviously, we played well, and that's big for the both of us I think, both in ranking points and adding to the bank account.

PAULINE ROUSSIN: Very true.

DEWI WEBER: I'm not going to lie. That helps.

Most of all we just had a lot of fun, and I think sometimes, especially being a rookie and everything is kind of new, I think I personally lose perspective of how cool it is that we're here.

A week like this where the format is just a little bit more relaxing I definitely found my groove back. I think golf is fun, and I think I lost that perspective along the way a little bit. Finding it this week is a really good feeling to have.

Q. Hearing Dewi say something like that, a rookie yourself, what does an event like this and a finish like this do to your confidence and her confidence as well?

PAULINE ROUSSIN: I think it's huge because definitely it was one of the -- like the most fun events that we had. Trying not to sing that song.

And, yeah, I mean, I think it was a very satisfying week because we both had amazing shots. I think that's what we needed to at this half point of the season.

I think there's so much good vibes to take from this week

into the next couple of tournaments.

Q. And what specifically are you most looking forward to the rest of the season? What do you hope to take away from this week, Dewi, as you think about the rest of your schedule?

DEWI WEBER: Playing good golf. I know I'm capable of playing good golf. I think leading up to this tournament, even though I have the skills I couldn't really find it, and I think this tournament kind of even though I didn't like have my A-game, I still hit good shots. I actually played pretty well today.

That just gives me a major confidence boost. Even if it's not my A-game, I can still hit good shots, I can still hole putts, I can still make scores and that's pretty important.
