THE MODERATOR: Joined by Team Y&Y, Yan and Yahui. Take us through the round. What were some of the highlights out there?

YAHUI ZHANG: I just checked the score, and Yan told me we got two birdies back to back. I think that's the highlight of today. She had some really good putts on the second shot, and I got a few good putt too.

YAN LIU: I think we just be chill on the course today. I think every time this event always fun on the course. I think we do pretty good and we talk a lot on the course. I think make us both pretty relaxed on the course, so we played a really good score today.

Q. How did you guys decide to come together to play for this event?

YAHUI ZHANG: I think it was really easy. She said, do you have a partner for Dow? I said, I'm looking for it. She said, do you want to be my partner? I said, yes, partner, and we just shake hands.

YAN LIU: Yeah, pretty easy. I think before we decided to play together and found a -- I mean, last week we just played together like three rounds in China, so we know pretty good each other, and we know the time. So I think we're pretty matched.

Q. That was going to be my next question. How do you guys complement each other's game?

YAHUI ZHANG: I just think every shot is wonderful. Like every shot after she putt or play, I'm just like, nice, awesome, good. We have talked about that, and we said, just don't complain. Whatever the other person, where she play or how she putt, don't complain, just play the second shot.

YAN LIU: At the 1st tee we say don't say sorry to each other. I think this is really good deal, because on the

course everyone wants to play very good. So, yeah, just be fun on the course, I think.

Q. How does the strategy change from today playing alternate shot to tomorrow playing best ball? Is one of you going to try to be more aggressive, or what's the strategy for tomorrow?

YAN LIU: I think I will be more aggressive than she will.

YAHUI ZHANG: Yeah, I will be more stable. Just play the birdie, right? If you can play the birdie, just play it. Don't be afraid or something.

Q. Then just last one. Team China was announced as one of the teams that will get to compete in this year's International Crown. Obviously two Chinese players playing together in a team event. How excited would you be for the opportunity to compete for Team China in Korea later this year?

YAHUI ZHANG: I think -- because they're four players, right? I think, if we are all going to the International Crown, I think we just discuss with four players, like not just us, because all our friends, we are Chinese, so we need more communication.

YAN LIU: I don't know what's the deadline. If I go, I think it's going to be another fun week for us and as a team also. I think the teamwork is always fun because golf is always single and play by yourself. So I think it will be very fun for me.
