### Quick Quotes

THE MODERATOR: Joined now by Chanettee and Jaravee after their second round here at the Dow Championship. A great round for the both of you in four ball. Kind of take us through the round today.

JARAVEE BOONCHANT: We started out pretty great on the front nine. We started I think birdie, par, birdie, par, birdie. We just had a good momentum going in.

The back nine was a little more challenging because the wind started to pick up. Overall, I think we had a pretty good round today.

**Q. What was the mindset or the game plan coming in today? Chanettee, were you a little more aggressive? What was the game plan coming in?**

CHANETTEE WANNASAEN: Today we played aggressive because we have a lot of birdies and a lot of bogeys. When I make a bogey, she can make par for me. When she make a bogey, I can make par for her.

So aggressive today, but I think I like it more than like separate shots because we can play like aggressive.

**Q. How different was today compared to yesterday in terms of four ball versus alternate shot?**

CHANETTEE WANNASAEN: I think today is more fun for me because we don't need to like worry about like I'm going to miss it or something because like we always know like we have a partner like get on your back all the time, so yes.

**Q. Going back to alternate shot tomorrow, is there maybe any change-up in strategy from what you guys did Thursday?**

JARAVEE BOONCHANT: No. I think we're going to stick to the same plan and try to play our best and stay in the present and just talk to each other. Get our mind outside

of golf a little.

Yeah, I think overall we're just going to stick with how we've been playing.
