Q. You guys have experience (indiscernible.) How much does that help you?

SARAH SCHMELZEL: Yeah, definitely. I mean, just kind of know it's not going to be perfect. Albane did a really good job if I didn't do something great of really keeping me in it. It's all about consistency and not getting your partner in trouble.

Having the reps definitely helps.

Q. Looking forward to tomorrow. Going back to four ball. How much does the game plan change for you guys?

ALBANE VALENZUELA: I just let Sarah drive first because she hits it so straight and then I just have to copy that. We're really having a great time out there. Four ball is fun. You can be a little bit more aggressive sometimes. I think we have a really good game plan, a lot of fun with the caddie, so just do the same tomorrow.
