Q. First, congratulations on a fabulous round today. Let's talk about that first. Did you have a number in mind or did momentum just carry through this round of 10-under?

MEGAN KHANG: Honestly, last night Lexi and I shared a couple texts and we just said we're going to go out there and have some fun, and whatever happens happens.

I think on the first tee we pretty much said as long as we give ourselves two chances each hole we will see where it takes us.

Thankfully made some few putts here and there. Bummer to miss the last one in the playoff to force another hole, but very happy how we played. I think we ham and egged it pretty well today.

Q. Describe the magic you guys create playing together.

LEXI THOMPSON: It's incredible. Megan played some amazing golf this week. I pulled together some good golf today.

It's just great to be alongside her. We have a lot of laughs and in between shots we are relaxed and have a good time. Like she said ham and egged it and had a good finish here.
