## Atthaya Thitikul

### Quick Quotes

**Q. So you seem to like playing here. You played well here last year; playing well again this year. Couple strokes off the lead. How was your play today?**

ATTHAYA THITIKUL: It was just all right today. I mean, like just not the bad round. Still miss some putt, miss so the birdie, because like I don't know it's me or because of the lie. It was really tricky today.

Yeah, so, yeah, pretty much that's it.

**Q. We do hear these greens are really hard to read. We also hear maybe a little softer today with the rain.**

ATTHAYA THITIKUL: Yeah, just a little bit. I mean, like this year was softer than last year. I mean, not today, but just like I (indiscernible) in the practice round, so, yeah, maybe the rain or the weather or something like that.

**Q. One round to go. Brooke has a big lead, but anything could happen. How confident do you feel going into the final round?**

ATTHAYA THITIKUL: I pretty confident with my game right now, because like I had three weeks off working with my coach back home in Thailand.

I have more confident, but just tomorrow just do my best. Just like another 18 holes that you're going to play. Last day for Evian this year, so should be cool.

**Q. What were you working on with your coach at home?**

ATTHAYA THITIKUL: Like not a big deal. I mean, like just keep, maintain what I have been doing. Because it's like in the middle of the season, it's not off-season yet, so we didn't do much.

Just like keep on the right position.
