Quick Quotes

Q. I am here with Nasa after the fourth round at the Amundi Evian Championship. Probably not the round you wanted out there today, but can you just walk us through your round?

NASA HATAOKA: It was a very good experience to be able to play in the last group. Celine was playing very solid today so I think it was a good day for her.

Q. Another great finish in the major appear the U.S. Women's Open. What have you been working on in your game that you think has helped the past few weeks?

NASA HATAOKA: Today I had a few missed shot with my short game, so I think I need to be able to recover from that to be able to win a major.

Q. And then to a great week golf-wise, how are you looking to carry that into the next few weeks?

NASA HATAOKA: These two weeks I'm just going to focus on my game and be able to play well these two weeks.
