### Quick Quotes

**Q. Fast start today, birdie at the 1st and at the 3rd. How did you find being in the last group and the first few holes?**

JENNIFER KUPCHO: Yeah, I've been in the last group before. It's the same as always. Different on a Saturday than on a Sunday, so just trying to stay in it and not paying attention to what everyone else is doing. There's still lots of golf left, so just trying to focus on my own game.

**Q. Were there any birdies or pars that stood out for you today?**

JENNIFER KUPCHO: Not really. When we were on the clock I made a birdie, we all made birdie actually on that hole, but the back nine kind of ran all together. I felt like we were running around the golf course. So that birdie.

**Q. Obviously birdie on 18 to make sure you're in a tie for the lead, three of you. How do you feel going into tomorrow?**

JENNIFER KUPCHO: I feel good. Putting stroke was a little off today, so just got to get that figured out, and we'll see what happens tomorrow.

**Q. How have you found the conditions today? The wind has been a bit swirly at points.**

JENNIFER KUPCHO: Yeah, there was multiple times it would be into the wind and then it would all of a sudden be with. Just to pay attention to that and what you're feeling.

**Q. And you said obviously you've been in the final group before; what have you learnt from when you've done it before and what can you bring to tomorrow?**

JENNIFER KUPCHO: I think to just stay in it and focus on my own game, come out with the score that I want to shoot instead of playing against someone else. I can't control what everyone else is doing, so just go out and play my

own game.

**Q. How much would it mean to you to get over the line tomorrow?**

JENNIFER KUPCHO: It would be really cool. Even to do it in Ireland, it would be super cool. Just going to go out and keep going.
