## Mina Harigae

### Quick Quotes

**Q. Pretty solid finishing round.**

MINA HARIGAE: Yep.

**Q. How does it to feel to finish under par, definite Top 10, probably Top 5?**

MINA HARIGAE: Yeah, I'm happy with my performance. I kind of -- how do you say? I scrambled a bit today. Yeah, there are a couple pins, but also pretty gettable holes.

So overall I'm really happy with how I played today.

**Q. You had a handful of birdies as well.**

MINA HARIGAE: Yeah.

**Q. 1, 3, 4, 7, 10, 15. Out of the gates how important was it on this Galgorm course to get going?**

MINA HARIGAE: I think it was really important here, especially the reachable par-5s on 1 and 3, so that gave me a little bit of a boost of confidence to go on for the rest of my round, so I think that was really important.

**Q. Any other birdies stand out today?**

MINA HARIGAE: Yeah, I think my birdie on, what was it -- did you say 14?

**Q. 7, 10, 15.**

MINA HARIGAE: 15, I think 15 was a really important birdie for me. I hit a funny shot on the previous hole. Made not a very good bogey, so I think I coming back with a birdie on the next hole, that was really good coming in.

**Q. Move up the CME Globe rankings with this performance. You continue to try to do that each week.**

MINA HARIGAE: Yeah.

**Q. How is the game feeling with a week off coming up?**

MINA HARIGAE: Game was feeling good but I'm also happy to have a week off. This was my fourth event in a row, so I think that's about my maximum, and I'm really excited to go back and work on some more things.

**Q. What will you be working on?**

MINA HARIGAE: Probably just tweaking a little bit of my full swing and dialing my wedges a little bit more so I can keep making birdies.

**Q. Scottish and British?**

MINA HARIGAE: Yep.

**Q. Before a few more weeks off.**

MINA HARIGAE: Yep. Oh, yeah, huh? This long stretch is almost coming to an end, so it's good.

**Q. How do you game plan for a Scottish and a British back home?**

MINA HARIGAE: I think just work on -- because it's obviously different kind of golf, so probably practice the shots that I need, like low wind shots, all types of short game shots, and just I think lag putting is probably going to be a huge thing, too.
