### Quick Quotes

**Q. To finish with that bogey on the last, but nonetheless a fantastic final round from yourself. How did you think today went?**

RENATO PARATORE: Yeah, well, I'm really happy after the round. I played solid. I holed so many putts today, so I can't say anything about the bogey on the last. I had also -- 4-iron third shot was not easy, so yeah, I'm happy for the round.

**Q. It's two Sundays in a row now you've performed really well. What is it about Sundays that really gets you going?**

RENATO PARATORE: Yeah, I think also better the course and the strategy, day by day playing, and just keep the same strategy all the day, a lot of irons, be in position and try to have a lot of birdie chances.

**Q. You are going to be a few short of taking this title, but nonetheless a positive week for yourself?**

RENATO PARATORE: Yeah, yeah, of course. I'm working a lot lately, proving coming back in really good shape from the long game, so I'm happy with that development. Two weeks ago if you would have said to me here I will have also a good week, I would take it, so I'm happy with the two tournaments.
