Quick Quotes

Q. Georgia, in contention until the very end. Just take me through what the last four days were like for you.

GEORGIA HALL: Yeah, really good. Quite tiring mentally. That fourth week in a row, I think the last few days really took it out of me. But I played pretty well this week, and really happy to be in contention again, just keep putting myself in that position, and good to birdie the last for solo third.

Q. What kind of confidence does this give you as we head back to North America for the rest of the season on the LPGA Tour?

GEORGIA HALL: Yeah, lots of confidence. Had a really successful month in Europe, and I really love it here, obviously love being at home. But I'm really excited for a couple weeks off now just to not hit a ball for a few days.

Q. Is that what you'll do, kind of take some relaxation time?

GEORGIA HALL: Yeah, maybe like 10 days off, I think. I definitely need it.
