**Q. All right, here with Ellinor Sudow after your round. What were some of the highlights out there? Any birdies that stick out to you?**

ELLINOR SUDOW: I love the one on -- let's see, what that is -- 15, the par-5 there. I went for it in two and end up really nicely there and two-putt for birdie. That was a good one (smiling.)

A lot of good putting overall, so that was really fun.

**Q. You just told me that you like this course. What do you like about it?**

ELLINOR SUDOW: I love links golf. I think it's so much fun. This is my second time playing links golf. I just think it's so much fun with the wind and everything.

It's beautiful. You get advantage if you drive it well and then putting is just great. I love it.

**Q. How great is it just to see a really good score, your name up at the top of the leaderboard after just one round? I know there is lots to go.**

ELLINOR SUDOW: It's wonderful. I haven't been playing great this year so this is really nice. I kind of need it both for confidence, and, yeah, it's really nice.

**Q. How is the challenge going to be different tomorrow? What adjustments are you making for Galgorm?**

ELLINOR SUDOW: It's going to be a little bit quicker greens I believe. Thicker rough. The rough is going to be really, really hard. I think it's going to rain as well, so then it's going to be tough if you don't drive it well.

So just making smart decisions, picking good lines. I think that will be kind of the key of playing good there.
