Quick Quotes

Q. You must be really satisfied with that, even par round in really challenging conditions.

OLIVIA COWAN: Yeah, I played nicely out there. Grinded it through. It was tough at times, but, yeah, just tried to keep level head and carry on, and, yeah, did well.

Q. Nearly a photo finish on the 18th. That would've been a nice end to your day.

OLIVIA COWAN: Yeah, I got robbed there. I think it hit something midway so it kind of bumped left, but, I mean, still a good par and happy with my round.

Q. At this time of year, how important is a good performance this week? You got off to a great start. How important is finishing off this week strong?

OLIVIA COWAN: I mean, every week is great to finish off strong and it's important, so I'm just happy that I'm playing good golf and that I'm in contention. Just going to try and continue that.
