Quick Quotes

Q. Great final round to end the week here in Northern Ireland. Talk to me about your start.

AZAHARA MUNOZ: Yeah, I just been playing super great all week, hitting really good shots, but my putter has been kind of cold.

So I just started, right from the getgo I hit the 3-wood on a par-5 to maybe ten feet, so actually two-putted for birdie.

After that I made a few nice putts, and, yeah, today was really nice. Played solid and finally saw some putts drop in.

Q. What was it like to get that momentum early on in the final round when you're first group out and just get going?

AZAHARA MUNOZ: It's really good. I knew I really had to go low today. Such a shame I didn't get the last birdie, but I gave myself a chance. At least I saw some putts drop in, as I said, and that's a really good feeling.

Q. How would you sum up your week as a whole and your game?

AZAHARA MUNOZ: It's really good. I've loved playing here. It's been really tough and actually I'm really proud of myself how well I played in these conditions, because I got the tough draw as well.

And I'm just happy that I'm hitting the ball really well, so hopefully I can get the putter going.

Q. You played with Ana every day.

AZAHARA MUNOZ: Yeah.

Q. What's it like playing with her?

AZAHARA MUNOZ: I've loved it. I love her and her

caddie and it's been really nice to see her playing well this year. She's killing it out here. She's played really solid golf. Some mistakes today, but I was very impressed how well she's playing.

Q. How much confidence does this give you going forward for the rest of the year?

AZAHARA MUNOZ: A lot. I feel like I needed something like this. I've been playing well but not getting things going. This definitely really helps.

Q. After a week like this, what is it like going back and seeing Lucas?

AZAHARA MUNOZ: Well, I'm going all the way to Vancouver so unfortunately I'm not seeing him next week either, so I have to wait one more week.
