Quick Quotes

Q. Olivia, great final day here in Northern Ireland. How pleased are you with your final round?

OLIVIA COWAN: Yeah, very pleased. Played really nicely today. I played good the last two days. Just had a poor finish yesterday, but just tried to stay positive and keep going today.

Q. I was going to say, you've spoken about your mindset and trying not to get angry at yourself. How has that been working for you?

OLIVIA COWAN: Yeah, it's been going really well. Haven't gotten angry yet, so, no, just sticking to that. I think just good golf will follow from that.

Q. In terms of your game, you said you feel like your game has been getting there and you've been playing well. Obviously two great weeks. How does that feel and how much confidence does that give you?

OLIVIA COWAN: Yeah, last week gave me a lot of confidence as well. Heading into this week I knew my game was well, so, yeah, just excited to play in the next few events.

Q. Obviously you've got loads of friends here, just a relaxed atmosphere. Does that help on a week like this?

OLIVIA COWAN: Yeah, definitely. I think when you have people around supporting you it just makes it a lot more enjoyable and, yeah, I think you're a lot more relaxed.
