Q. Suzann, congratulations on everything so far. I know you probably would love a lead, but are you satisfied with everything being even going into today's singles?

SUZANN PETERSEN: I think it's pretty cool we're all square. It's going to come down to the wire today. It's just so great for the game of women's golf. These girls are so good. We gave the U.S. a little bit of a head start and we were playing catch up in the other sessions, but now I think it's great that we're both tied.

Q. You spotted them four points on the early morning. What was your strategy for today's lineup? Seems like you both did something somewhat similar with heavy at the top and heavy at the bottom.

SUZANN PETERSEN: I didn't really focus on the U.S. side at all. We tried to guide where we felt our strength -- we have strength all the way through to the bottom -- but try to go out with some energy, strong, stronger, strong, strongest maybe, I don't know. I mean, I could have put anyone anywhere. But I got Linn out there. She's on fire. She's got the adrenaline, she's young, she can do it, just like you did back in the day, Juli. Yeah, it's fun.

Q. If it comes down to the end, Pettersen versus Thompson?

SUZANN PETERSEN: It's going to be one good match. Two good ball strikers, they can get to the par-5s, it's going to be fun.
