**Q. We always knew coming in today in the afternoon it was going to be tight when you're looking at the singles. Did you understand the importance of your point this afternoon?**

**MAJA STARK:** Yeah, I totally did. I was looking at the scoreboard the whole day and it wasn't looking good. It was looking very tight though. But I knew that (background noise) I tried to do everything I could to bring it home and I feel like it looks like that's what we're doing right now.

**Q. You didn't play like a rookie, how did it feel out there, did you feel any nerves?**

**MAJA STARK:** I did feel nervous a couple of times, but not too bad. Not as much as I thought I would feel. So it's a great experience (background noise) I hit the shots that I wanted to, especially when I needed it the most.
