Q. A sizable lead heading into Day 2. How is your team approaching today?

STACY LEWIS: I would say we're going to have some more fun. I told them last night, it's 0-0, we've got to go back to work, but they're having a lot of fun in the process, and that's always going to bring us some good golf.

Q. You said yesterday afternoon the fans in the stands fired up your team. What kind of impact do you think you'll get from these stands being filled up again this morning?

STACY LEWIS: Safe to say we're packed this morning and this place is rocking. We're going to need them today and just got to keep using that energy.
