**Q. Here with Charley and Esther. Just talk about your pairing today and what you bounced off each other well today about.**

**CHARLEY HULL:** I feel like we're both pretty chill people and we know what we've got to do and just out there having fun and just kept the ball in play.

**ESTHER HENSELEIT:** Yeah, I feel like we get along really well. Our games are pretty similar, so I feel like we kind of know when the other one is feeling good, then we might need to say a few words. But yeah, we just played really solid.

**Q. A little nerve-racking down the stretch. Talk about how you kept each other calm.**

**CHARLEY HULL:** Well, after I hit that shot -- I feel like I hit my irons pretty good today, but after I hit the shot on 16 pretty close, I was pretty pumped.

And then 17 I just airmailed the green. I was just super pumped. It should have been one less club. Then the last I just bulleted my driver so far and I was so glad I didn't have that shot in. Esther just completely stiffed it to half a foot, so I was thankful for that.

**ESTHER HENSELEIT:** Yeah, Charlie played great all day. She hardly missed a shot. Yeah, I was glad I could step up in the end and secure this point.

**Q. Anything you learned from Charley today being a rookie out there, seeing a veteran almost out here playing in her match?**

**ESTHER HENSELEIT:** Yeah, just stand up and hit the shot. Don't think about it; just hit it close.

**CHARLEY HULL:** Maybe I should have thought about it a little bit more on 17.
