### Quick Quotes

**Q. Charley, Georgia, nice win. How excited were you when you found out you two were playing together? I know you're really good friends.**

**CHARLEY HULL:** Yeah, we was buzzing because we're best friends. We know each other inside out. We know what we can and can't say to each other. Well, there is pretty much nothing we can't say to each other.

**GEORGIA HALL:** No. We've been asking for it for a while, for a few Solheims, to be honest, and finally got a chance in our last match to play together. Yeah, I was obviously really happy to go out and have this experience with her. Like a lot of things we experience together.

**CHARLEY HULL:** Yeah, we just really enjoyed it. Just fun playing out there with your best friend.

To be fair, Lilia and Allisen, two lovely girls. Like they're such nice people, so it was just a pleasure to be out there with them.

**Q. I saw you guys reading a lot of each other's putts.**

**CHARLEY HULL:** I was getting Georgia to read my putts. Felt like I was struggling yesterday with a few of my reads. I just know that Georgia is a very, very good green reader, so I trust her with my life for putting, so there you go.

**GEORGIA HALL:** Yeah, shame I can't stop mine online, but I'm obviously glad she trusts me. Obviously done a bit of extra work helping her.

I must say that whatever line I said she hit it right there. She putted amazingly and she really like played so good today. So, yeah.

**Q. Last question: Going into Sunday's singles being couple points behind. What is sort of the message, the goals to the team tomorrow?**

**GEORGIA HALL:** I think just go out there and try and win your own point.

**CHARLEY HULL:** Win your own point, have fun out there. Enjoy it. Just kick some ass.
