Q. Suzann, commiserations but a hard-fought battle. Give us a sense of the emotions right now.

SUZANN PETERSEN: I mean, we gave them a run for their money. I don't think anyone expected us to be here at 2:30 and to still have a chance. It's kind of hard to believe that we actually had a chance with kind of that poor of a start, giving them such a head start.

But I had fun today. It's always exciting on a Sunday.

There was possibilities out there, and several times we thought we could get it done. It came down to a couple of matches. Happy for Stacy, obviously, on home turf, but we'll come back very hungry.

Q. What has it meant to lead this European team?

SUZANN PETERSEN: I've had so much fun with these girls. I've truly enjoyed it. Win or lose -- yeah, it's fun to win, a little bit more painful to lose, but at the end of the day we've had a lot of small victories within our team this week. We've had a lot of fun, a lot of good laughs, moments that I will cherish forever.

It's been a great ride, and Solheims, they're the best.
