Q. Nelly, Allisen, many congratulations a formidable duo. What is the secret to this partnership?

NELLY KORDA: She's just so solid. Honestly, I enjoy playing with her so much. We have a lot of fun out there. Our caddies have so much fun out there. Yeah, it's just, she's just such a solid player. It's really good to look rely on her and it's also fun.

Q. I'm sure you would like to say something in return.

ALLISEN CORPUZ: Yeah, I mean, exact same thing. I mean, I always make the joke to Nelly, like, it's so nice to be 30 yards ahead of where I would be on my own drive, it just makes the hole so much easier, I think. It's so much fun out here. I love the Solheim Cup, I love being out here.

Q. What's the satisfaction of getting that first red point on the board for Team USA?

NELLY KORDA: Yeah, it's great. I mean, still a lot of work to do, but going to go out and support the rest of the girls and it's nice to see some red on the leaderboard.
