Q. Lottie I know some obvious frustration, but give us a sense of that immediate reaction as you walk off the green.

LOTTIE WOAD: Yeah, it was a very good match. We had the lead for most of it, but they kept on fighting back. I think overall played great, but that putt on the last kind of described the back nine, I would say.

Q. Charley, what are the emotions you're feeling right now?

CHARLEY HULL: I feel tired and I can't wait to get to bed, but apart from that I feel good.

Q. What was the energy and intensity like? It was a terrific match and obviously a great fight back from the team USA.

CHARLEY HULL: Yeah, I like matches like that. They're really interesting. It was good fun. There was a lot of birdies. There was some tricky holes out there, some long iron shots middle of the round because it started raining and the wind got up a little bit, and then now the sun's come out.

But, yeah, Lottie played great. She made a great eagle on, I think, like, the 10th hole and it was a really good match.
