Q. Hard-fought battle out there. Can you describe the match a little bit?

ALLISEN CORPUZ: I feel like Auston and I played really solid. They just played better today. It was a really tight match the whole way and just had a few birdie putts that we wish fell and maybe didn't fall for them. But no, it was a great match and congratulations to them. They played really well.

AUSTON KIM: I got to say the same thing. They played really good golf. I feel like we had a couple of good looks, but just didn't have it today. We played really solid golf and I felt like if I missed she was there to back me. And I was able to do the same for her a couple of times, even though she doesn't miss. So I'm very proud of the both of us and we worked very hard today, especially Alison.

Q. Auston, first Solheim Cup match, can you describe it a little bit.

AUSTON KIM: Oh, my gosh, there's nothing else like it. I think it was probably one of the most incredible experiences I've ever had in my career and hitting that first tee shot this afternoon, I mean that's a high I'm going to be chasing for the rest of my life. Really, really cool and I definitely enjoyed today.

Q. Allisen, you and Nelly went 5-0-0 after this morning. Can you describe that experience, you were the first pair in history to ever do that.

ALLISEN CORPUZ: Yeah, it's really easy playing with, I mean, not just Nelly, but any of the 10 other girls on this team. I mean, I just love this team so much. I love the Solheim Cup team so much. And, yeah, to be able to say that we were a part of history, I think that's really cool and I think it's a testament to just how much this means to us. We worked really hard for this and really happy with it.
