Q. What a point indeed. Maja, Linn, many congratulations. That was simply awesome. Maja, how proud are you to lead the team out this morning and deliver a huge point?

MAJA STARK: I mean, it's the best feeling ever. It felt like we put up some really decent golf both today and yesterday. So it's kind of hard to beat where you're not making any bogeys.

Q. How much fun was it? How special does this feel?

LINN GRANT: Yeah, a lot of fun. Obviously, we had a tough match going into today. We knew that and we knew we had to play very well. Just very happy we did that. Had a lot of fun while doing it as well.

Q. What tone does this set? You're a formidable partnership. You've just taken out a formidable U.S. partnership. What does this say now for the rest of the day?

MAJA STARK: I think we're just going to keep going, keep feeling like we're playing great golf. Of course the U.S. played really good golf in our group as well. But just keep feeling like we're hitting good shots, we're hitting good putts, and just keep trying to do what we've been trying to do.

Q. How much do you enjoy the energy? Because the synergy between you is something special.

LINN GRANT: It's a lot of fun. I think we both had the same idea about this week. You just want to take it all in and really get the whole experience, you know, on the first tee when the crowd is going and really celebrate when there's something to celebrate.
