playing my game. I'm hitting the ball into the greens really well. So maybe go hit a few drivers on the range and get it straightened out and I'll be good to go.

Q. Never easy, is it, when you're in a match that goes all the way to the 18th and it doesn't go your way. Rose, I've got to ask about that shot there from the bunker. What were you trying to do and what was the philosophy there?

Q. Jennifer, what do you take into this afternoon?

JENNIFER KUPCHO: Yeah, I think I'll just keep going and
