**Q. The super Swedes, Linn and Maja. Many congratulations. Another wonderful performance. Describe the satisfaction of putting another blue point on the board. Maja.**

**MAJA STARK:** Yeah, it's so nice, especially when you stand over a putt and you know that -- you know, I messed up on the last hole and now I got this to win the match, and then you actually do it. I mean, that's the best feeling.

**Q. High-quality match. What did the atmosphere, the energy, the adrenaline, feel like out there for you today, Linn?**

**LINN GRANT:** It was great. I think we really turned it on on the back nine. We really got our things together and started playing like we wanted to. It was a really good game. I think they were just right behind us. I think, counting fast, we with were, like, 10-under today, so great game from both sides.

**Q. We spoke about it earlier. We know how good friends you are, but just what is the comfort factor going out alongside each other and the ability to be able to lean on each other, to communicate to have each other's back?**

**MAJA STARK:** It's huge. Just to know that I know that Linn is not freaking out and she knows that I'm not freaking out. That makes you able to focus on yourself a lot more and you don't have to baby each other. Yeah, it's just really nice and you just kind of keep playing your own game.
