Q. Congratulations on getting the win. How important was it to bounce back this afternoon rows?

ROSE ZHANG: I think it was extremely crucial for our team. Auston and I ham-and-egged it really well, and toward the end of the stretch it got a little bit difficult, but we fought hard and it's from the heart that we were able to get it done.

Q. Leona Maguire is a player that the crowd really gets behind. Is there a little bit of extra satisfaction getting a win against Maguire?

AUSTON KIM: Yeah, for sure. I learned a lot from her today, and I have a lot of respect for her as a player and as a peer. She definitely is really good at match play, so it was really awesome to learn from her today. Again, yeah,
