Quick Quotes

Q. Yealimi, Andrea, very well played, how big does that point feel for Team USA?

YEALIMI NOH: It feels so good. We had such a great match today and to finish it off with the win means so much.

Q. Elation as well, but what sense of relief, with the Europeans putting the pressure on late on in that match.

ANDREA LEE: Yeah, definitely we knew that Lottie and Charley were going to put up a good fight today, and I think we played really well. Yealimi had an amazing front nine, I've never seen her putt like that before, so that was awesome. It was awesome to watch. But, yeah, I had a few on my own on the back nine and we just ham and egged it really well. It just feels great to get a win.

Q. I spoke to you at the AIG, you had been struggling for confidence, you found something that week. How does it feel to be playing this well in a Solheim Cup for your country.

YEALIMI NOH: It means so much to me not only to be representing my country, but with one of my best friends too. Playing together was so much fun, and playing good golf is always great and I think I'll have a lot of confidence after this week as well.

Q. You two were just giggling about the incredible amount of putts that Yealimi rolled in today. You made an incredible one there for eagle from long range at the 8th. What was it like playing with this hot one here today?

ANDREA LEE: So awesome. She's one of my best friends so we just had so much fun out there today together. Honestly, the walks down the fairway weren't even about golf, it's just about anything else. So we just

had a lot of fun and I'm really glad we could pull out the win today for our team.

Q. You never trailed in the match today, but still went all the way down to the 18th. What was the importance of getting that full point for the Americans this afternoon?

YEALIMI NOH: Not only was it super important for us to get a point on the leaderboard, but it just felt so good because we had such a great match. I played great on the front, Andrea played great on the back and we just really wanted to finish off with a win. We were like, We got to get it done.

ANDREA LEE: We got to get it done.
