Q. Anna, thanks for taking the time to talk to us. I know you've got a busy hour or so coming up. But your reaction to the way that that match just finished. It must have been tough to watch there.

ANNA NORDQVIST: No, I mean, they did everything they could. I mean, how many times out of ten do you make that putt? It's an unbelievable putt she makes on 17 and even the putt she makes on 18, so you can't really do anything about it. Carlota did what she could on the last, and they had two great birdie chances on 17. But it's been a great match. I think overall it's been a great day. We're tied going into tomorrow. We have 12 matches and I know the girls are ready for tomorrow.

Q. How satisfied are you with the position of the matches going into tomorrow?

ANNA NORDQVIST: Yeah, I have about an hour to figure out my order, but we've had a really good week. I love the team atmosphere. The girls that didn't play today came out to watch and support, get the crowds going. It's been an unbelievable crowd. So it's just been really nice. So I think we're going to be ready for tomorrow and get a good rest. It's been really long days. But, yeah, I'm looking forward to tomorrow.

Q. Obviously, I'm not going to ask you what the lineup is, but how much do you feel like you're going to stick to your game plan when you put together the plan for tomorrow?

ANNA NORDQVIST: Yeah, I have about an hour to sit down and figure it out. Obviously, we're tied going into tomorrow. I think it's going to be exciting. So we'll see what me and the vice captains come up with, but I think we're going to have a good plan.
