Q. Anna, after two days of playing together your players head out into the singles alone. What was your final message to them?

ANNA NORDQVIST: Yeah, I mean, it's exciting we've been working for this moment for a long time. All my players and caddies were in a really good mood yesterday, and we're on a mission today. So, thank you.

Q. There was a lot of momentum swinging yesterday, very strong finish for Team USA. How important was it for you to reset the team last night to make today feel like a clean sheet?

ANNA NORDQVIST: Yeah, that's golf for you. We had a little bit of a momentum high on the first day and it immediately changed the way we came out on Saturday. The tournament finishes after Sunday. So the girls are ready to go and they're so excited, couldn't be a better atmosphere and the first tee right now.
