Q. Tough day today playing against the world No. 1, but what's your overall impression of your first Solheim Cup?

MIMI RHODES: Yeah, it's an incredible week. Obviously lots of golf to play left, so I'm just, yeah, looking forward to watching the others close it out.

Q. And playing against Nelly, what particularities do you take away from playing with her at such close quarters? Obviously she played great today.

MIMI RHODES: Yeah, I think I just didn't have an option to get her under pressure. Yeah, I was always the first hitting into the greens and when I would miss them, it kind of just gave her an opportunity to just kind of relax and just hit the green. So, yeah, I just left a few out there on the front nine, and I think I could have put her under a bit more pressure. But, yeah, it was great to play with her and, yeah, grateful for the opportunity.
