Q. Well, that emotion there from the victory, I can see what it means to you. Can you sum up what that moment was like?

JULIA LOPEZ RAMIREZ: Obviously I can't put it into words. That was the biggest putt of my career right there. It was just amazing. I was nervous and I handled it very well. I was very proud of myself. I worked really hard for this day. So nothing to say. My voice is gone from all the screaming. So it's been an amazing week.

Q. This was your second appearance of the week. You're trying to get that first point. What extra motivation did you have today?

JULIA LOPEZ RAMIREZ: I was trying to play for the team, play for Anna. I think they have been amazing and I just wanted to do it for the team. I think you forget about yourself in these moments and these things are bigger than that.
