Q. You had just a really incredible Solheim Cup. Can you just talk about the week as a whole?

LAUREN COUGHLIN: Yeah, I mean, I'm exhausted, but it was so much fun. I just really wanted the team to win. Wish I could have done a little bit more yesterday. But, yeah, great week. Hopefully maybe we can flip some of these matches coming down, but we'll see.

Q. Obviously a lot of emotions. Can you just speak to how much this means?

LAUREN COUGHLIN: Yeah, I would go 0-5 if it meant we won. So that's all I really wanted. So that's what I'm bummed about.
