## Lexi Thompson

### Quick Quotes

**Q. The difference in yesterday's round compared to the way you played today?**

LEXI THOMPSON: I think overall just consistency. I came out today and was like, Let's just fire at pins and try to make birdies.

Obviously low rounds were out there, so I just needed to play some fearless golf, and I came out swinging. Just tried to stick with the process throughout the whole day.

**Q. Did your putting stroke feel a little bit better today?**

LEXI THOMPSON: Yeah. It definitely did. I switched to the claw last week and changed a few things in my setup. It feels very comfortable. It's all a matter of trusting the stroke and the lines out here, because you can get some big breakers.

**Q. What's your game plan for tomorrow? You go back out there, four holes to play.**

LEXI THOMPSON: Yeah, same game plan. Go through a nice warmup routine. Hopefully we don't have the fog delays, fingers crossed. But just take it one shot at a time and come out and same routine and process as today.
