Quick Quotes

Q. All right, here with Nasa Hataoka after her first round here at the Cognizant Founders Cup. What were some of the best parts of the round today for you?

NASA HATAOKA: My iron shot.

Q. What about your iron shots specifically? Was your approach game really good?

NASA HATAOKA: My approach shots, most of them I was able to get it really close, so I think that was what was good.

Q. You said feeling a little fatigued; five weeks on the road. How does being a little tired change your game at all?

NASA HATAOKA: I've been adjusting my practice amount. That's what's making it.

Q. Yeah, was it different coming off a team event last week and having to get back into the stroke play groove?

NASA HATAOKA: No, nothing.
