Quick Quotes

Q. Great round today. Can you walk us through your round today and some of the highlights?

HAE RAN RYU: The most highlight was the 11th hole for me, and our course second hole for the eagle. Before that hole, I got three bogeys in a row, so I felt really down. But after that, I got an eagle, I bounced back and we changed the mood for the game.

Q. How were you consistent today? You played really well yesterday, as well. How did you maintain that today?

HAE RAN RYU: Yesterday I thought that the fairways were really narrow, so I would focus on where I need to land and think about the second shot to make it as comfortable as possible. That works yesterday and today, too, so I can play well today.
