Q. Jin Young, started this final round four strokes back of the lead. What was your game plan on this last day?

JIN YOUNG KO: Well, yeah, I didn't have like game plan, something like that. I just feel just tired the last three days, so I really want to focus my game.

And especially this week in Korea, Sung-Jae, the PGA player, he won in Korea tournament, but he was five shot behind the lead, so that was inspire me and if I like play really well I could chance for win.

So I really focused myself and it was great.

Q. The Cognizant Founders Cup is an event that has inspired so many. What does it mean to you to win this event for a third time?

JIN YOUNG KO: Yeah, it's great honor. I thank all the past Founders today, so I really thank to everybody to make that amazing tour.

And I mean, I debut 2018, now it's 2023, but tournaments getting more higher than six years ago, so I really thank to like those who support this tour and the all the volunteers and all the staffs.
