Quick Quotes

Q. All right, here with Ashleigh Buhai. Six birdies out there today. How did the game feel today?

ASHLEIGH BUHAI: Yeah, I mean, I hit it so good today. You know, it's hard to say. I guess I'm disappointed with third place. I hit a lot of good putts that just didn't drop, so I can't really say that it was a cold putter.

But I think very proud of still the way I played. To then make six birdies in the conditions today when I look back is pretty good.

Q. Yeah, we heard about a lot of the wind today, and still third place finish. Best of the season so far. How are you going to use this going forward?

ASHLEIGH BUHAI: Yeah, obviously it's just more confidence. Every week you try to build. I think this is my fourth or -- fourth top 10 this year, so I'm playing good.

I know that when it all comes together I'm going to have a chance to win again. I've got to stay patient and not reinvent the wheel, and I know what I am doing is right and just trust the process.

Q. Seeing the Founders, the pioneers by the green every day this week, what has it been like?

ASHLEIGH BUHAI: It's been fantastic obviously to have them here, for them to come in and support the tournament.

You know, it's the reason we're here is because everybody before us, so I'm one of the oldies on tour if you want to say that. Hoping everybody has left the game in a better place than they found it and hopefully my generation can do the same.
