### Quick Quotes

**Q. Finished your round with a good up and down there on 18. Round of 69 today. When you head out on to a golf course in the afternoon having seen there is some good scores, are you satisfied walking away with your round today?**

CELINE BOUTIER: Yeah, I think it was a solid round from start to finish. I didn't make any bogeys so that's always positive. I feel like I took advantage of the opportunities that I got.

It's definitely a bit of a tricky course. You have to be on the fairway a lot of the times, and even then sometimes it's long shots and stuff like that. So very happy with my round today.

**Q. You came close to winning in Singapore. Coming off this wonderful season last year. How close are you to getting back to that top form?**

CELINE BOUTIER: Yeah, it's been a little bit of a tough couple of months, but I definitely feel like my game has been turning around. Definitely saw some good signs in LA, too, so I am hoping this week is going to be a solid week to be able to build on the rest of the season.

**Q. Big stretch coming up for the LPGA, and a nice couple weeks in New York City. We were talking earlier. You said you went into New York earlier in the week. The question is: What's worse, the New York or Parisian traffic?**

CELINE BOUTIER: I think Paris is so bad because there always construction too, so it's the worst. Yeah, we have to go with Paris unfortunately.
