Quick Quotes

Q. Joining me after the third round of the Fortinet Founders Cup is Lee6. Lee6, you have had a bit of a crazy week. Went on Epson, Monday Q, and making the cut yesterday. Run us through your week and some of the emotions.

JEONGEUN LEE6: I mean, I'm very happy and I'm enjoying playing this week. Schedule was very tough, but I made on Monday qualifying; I was really happy and then my goal was made cut this week and then I did.

Then my final goal is top 10, and then if I make top 10 I can play next week I know, yeah.

Q. Yeah. When you have kind of a crazy week like this, how do you continue to focus on the golf and not all that surrounding you?

JEONGEUN LEE6: Of course I feel a little bit tired but I'm working on my swing with my switch coach, so I'm focusing on just what I have to do, downswing. I mean, I just focusing on every shots and ever (indiscernible) and everything. That's it.

Q. This is a good start to the season with the win and then being out here and making the cut. How do you think that's going to propel you through the rest of the 2026 season?

JEONGEUN LEE6: Yeah, I'm playing well, better than I expect. I met a new swing coach last year and we were working with my swing together every day. We talk every day, so my swing is getting better.

So just I have to focus just my swing, like last tournament. Yeah, that's it.

Q. And looking ahead to tomorrow, you said that your goal is to top 10. What do you think will be important to get yourself there?

JEONGEUN LEE6: This is course is not easy course I think. I think accuracy is very important this course, so I'm

going to focus just my downswing and my swing rhythm and my swing timing.

Then, yeah, that's it.
