## Natasha Andrea Oon

### Quick Quotes

**Q. Joining us after the third round of the Fortinet Founders Cup is Natasha Andrea Oon. Natasha, you had another hole-out eagle today from the fairway. Can you talk us through it and then tell us the yardage and the club.**

NATASHA ANDREA OON: I think the club was 54 and I think it was a 90-yard shot on hole 3. Ayaka hit it so close and I was just like, okay, well, you know, let's just try and hit it hard because it was -- I needed a little more distance for the shot with this club.

So hit it hard and hit up and spun back and then wen in and I collapsed and my caddie was like, not a fan. We were like in disbelief. It's kind of crazy. It is kind of crazy.

So was it kind of a bit of a roller coaster.

**Q. Yeah, you a bit of a crazy round today. Seems like you managed the emotions a little bit. Heading into the final round just what are you hoping to get your first LPGA tournament back?**

NATASHA ANDREA OON: I definitely was a little bit frustrated if I was being honest out there. I was just like, you know, I did say golf was fun, but today I might be a liar. (Laughter.)

I was just being taken on all sorts of emotions today. Tried to keep it together for sure, but that shot on 18 really propelled me some confidence for tomorrow. So honestly like I just want to go out and have fun. I literally have to remember that I made the weekend and so many good things have happened already.

Yeah, just want to go out there and enjoy it.
